NOMURA CUP

Dear APGC member countries,

On behalf of the organising committee of the Nomura Cup consisting of the Hong Kong Golf Association and the APGC we regret to inform all our member countries that the Nomura Cup which was scheduled to be played at The Clearwater Bay Golf & Country Club from the 4th to 8th Nov 2019 has been postponed.

Unfortunately, the situation in Hong Kong has not improved therefore the organising committee after due deliberations and monitoring of the situation has decided to postpone the event.

The safety and security of all the participants, delegates, team officials accompanying the teams and the staff were our prime concern for taking this decision.

The APGC remains committed to staging the Nomura Cup together with the Hong Kong Golf Association at The Clearwater Bay Golf and Country Club. The tentative dates for this championship will now be the week of 8th to the 12th of June 2020.

We look forward for the situation to have settled by then and hope that majority of our member countries will participate in the event.

Best regards,

John Hopkins OAM
APGC Championship Committee Chairman
