主旨: Re: Inquiry for Husky Invitational

Thank you for your email and reaching out to me. I am afraid that we are unable to have your team participate in the Husky Invitational like last year. It turns out that I was given wrong information from our compliance department and we are only allowed to have national teams compete in the tournament if it is a one day event. Our Husky Invitational is always a 2 day tournament.

We were able to do it last year because I was told that we could have national teams play and both Sweden and you guys had arranged your travel before the mistake had been discovered.

We really enjoyed having your guys in Seattle and competing in the tournament.

Go Dawgs!

Dear Alan,

It is my pleasure to be in contact with you again on behalf of Chinese Taipei Golf Association.

We received your kind invitation for us to participate the tournament last year. We wonder whether the tournament will be held this year, and if our players could receive the honour to participate in the competition this year as well. We need further confirmation from you so as to arrange our national team player's travel schedule early.

Thank you for considering our inquiry and hope to hear from you at your early convenience.

With best regards,
