主旨: Re-scheduling of the 42nd Queen Sirikit Cup Asia-Pacific Amateur Ladies Golf Team Championship

Dear QSC Member Associations & Officials,

After careful consultation with our host Indonesia Golf Association during the past few weeks, I can now announce that the 42nd Queen Sirikit Cup is re-scheduled to be held from June 29th - July 3rd, 2020. The tournament venue, Pondok Indah Golf Course, as well as other timetable of events remain the same as advised.

As we are all aware of, presently there are many health-concerned restrictions being put up in many countries, including Indonesia. However, we hope that the situation will improve during the next few months to ease this concern. We will continue to monitor the situation closely and keep everyone well informed of any new development.

In the meantime, please readjust your planning accordingly. The deadlines in submitting the relevant Forms will be updated to fit the new dates. It is understandable that we all will encounter a difficult year in planning other events, but I hope all members will understand the need to solve the problem together as early as possible, to keep moving on. Of course, the safety issue of every participant remains the priority precaution in all gatherings.

With kind regards,

Rae-Vadee T. Suwan

Secretary-General,
