主旨: 2020 Toyota Junior Golf World Cup (VERY IMPORTANT)

To Respective Golf Federations,

Hope this correspondence finds you well.

After giving extensive considerations, the Executive Committee of the Toyota Junior Golf World Cup has decided that it would be the best interest for everyone involved, to postpone the 28th tournament for one year, until June 2021.

The global COVID-19 pandemic requires that we err on the side of caution.

We feel there are too many uncertainties with this Coronavirus situation around the world and we can not see how all participants from 6 different continents can travel safely and participate in a safe environment.

We decided that instead of hosting the tournament under uncertainties, it would be better to postpone the event and host it next year in June when everyone feels more comfortable and safer.

The tournament's goal has always been to conduct a premier golf championship while providing a safe and secure environment for our international participants. Unfortunately, we feel we could not meet those objectives this year.

Exposing the youngsters around the world to this degree of risk would not be acceptable.

We are very disappointed to make this announcement, but we strongly feel this is the best interest for everyone involved, as many of you have suggested to us.

Please contact us should you have any questions.

Please acknowledge the receipt of this email so that we know you have read this email.

On behalf of the Executive Committee of the Toyota Junior Golf World Cup, we wish you safe passage through these challenging times.

The committee is already beginning to prepare for next year's event.

We hope to see you in 2021.

Sincerely,

William Kerdyk  
Tournament Chairman

Eiji Tagashira  
Tournament Vice Chairman
