主旨: 42nd Queen Sirikit Cup in Indonesia - 2nd postponement

Dear QSC Member Associations and Officials,

It is with great concern, after my latest consultation with Indonesia Golf Association, to inform you that the Covid- 19 problem is unlikely to vanish well in time for the Queen Sirikit Cup to be played at the end of June as earlier postponed. We are aware of the need for many other golf events and activities to be postponed or cancelled for safety reason. Therefore, I would like to suggest the second postponement of this championship until further notice.

Most likely we can assess the situation again at the end of June to see when the event can be safely staged. Hopefully time will help to solve this unfortunate global problem and I will keep you all updated on further development as soon as available.

With best wishes for your good health and safety.

Kind regards,

Rae-Vadee T. Suwan
