Dear Lian,

I hope this mail will find you well too. Nice to hear from you again.

The situation pretty much the same here in Indonesia. Our last tournament was in the late Feb early this year, after that all the tournaments were cancelled.

Everything still very uncertain here in Indonesia due to the Covid-19 and we can not hold any tournament yet at the moment. Really hope things will get better soon.

Have a pleasant weekend.

Warm regards,
Dersi
