主旨: Re: Inquiry about International Events Schedule of Singapore

Dear Lian

So good to hear from you.

Hope you are all keeping well...

Sadly most of our local and international competitions have been cancelled for 2020.

And we do not anticipate them to resume any time soon.

I understand some events are being run by CTGA.

Hope you can keep me informed if there are any events that may be open to my players.

Warmest regards

Lyn Yeo
