

April 2021

Dear Linda Chu

First of all, I would like to thank you for nominating and delegating your top amateur player every year to Ai Miyazato Suntory Ladies Open. We always appreciate all the association support and the effort the players provide towards the event.

I very much regret to inform you that though we are still preparing for this year's event scheduled in June, we have decided to cancel the invitation of amateur players from the Asian Pacific region due to this pandemic COVID-19 again. The situation remains fluid and evolves every day, however, considering the player's health and safety and all the traveling restrictions around the world, we think this is the best decision as of now.

I truly hope this comes to an end soon. Please stay safe and healthy until then. And when it ends, we would very much appreciate it if you and your amateur players would join, and pump up the tournament with us next year.
