Hello Linda,

Thank you for reaching out and I hope all is well with everyone at the Chinese Taipei Golf Association.

With the current federal travel restrictions in place, international players are not allowed to enter Canada for the purpose of amateur sports.

Registration for both the Canadian Women's and Men's Amateurs are now open ([click here](#)), but we will **NOT** be accepting registrations from foreign residents for our championships at this time. I understand that it may be difficult to budget and plan accordingly with this uncertainty, but I would be happy to reach out again if these restrictions change over the next few months. We sincerely appreciate the CTGA's support of our championships and look forward to welcoming back all our competitors from around the world very soon.

If you have any questions in the meantime, please don't hesitate to reach out and let me know.

Best,

Akash
