Dear Mr. Sharrell Chen,

Greetings from the National Golf Association of the Philippines (NGAP)!

We are pleased to announce that the **2023 National Stroke Play Championship** will be on January 3-6, 2023 at the Riviera Golf Club, Inc. (Langer Course).

We have the pleasure to invite four (4) of your top amateur players (2 men and 2 women) to the championship. The organizing committee will provide the following:

1. 5 nights - accommodation for four (4) nominated players (twin sharing)
2. Exempted from entry fees
3. Airport transfers, official hotel to golf course and vice-versa
4. Daily breakfast and lunch during the tournament
5. Free practice round on January 2, 2023

Other players from your country are most welcome to participate but they will have to meet all expenses (hotel accommodation, local transportation/transfers and entry fee) on their own.

We look forward to your continued support and welcoming your participants to the event. For other details, please do not hesitate to email us at ngaptournaments@yahoo.com.

Truly yours,

VALERIANO L. FLORO II
Secretary General
