Dear Member Associations & Officials,

I would like to give an update on the current situation on the hosting of the 42nd Queen Sirikit Cup in Singapore. After my discussion with the President of Singapore Ladies Golf Association and Tournament Director, Nick Shan, this morning, it seems the ongoing pandemic of Omicron virus is still wide-spreaded throughout our region. Many countries, including Singapore, are adopting strict measures on traveling and incoming visitors. Although we are still hopeful that the situation would soon improve to allow Singapore to play host in May, we agree that the safety precaution must be our priority in the decision to do so.

With the above point in mind, I am taking this opportunity to inform all concerned in advance that we shall have to wait until the **middle of March** to decide whether the Championship could be staged in May, or has to be further postponed.

Wishing everybody the best in health and safety.
Kind regards.

Rae-Vadee T. Suwan

Secretary-General,
The Queen Sirikit Cup Secretariat,
c/o Thailand Ladies Golf Association
