Penalty for lateness beyond five minutes is disqualification.

SLOW PLAY: UNDUE DELAY

17. The Player shall play without undue delay and in accordance with the pace of play guidelines, which may be laid down by the Committee. Between completion of a hole and playing from the next teeing ground, the player shall not unduly delay play

PACE OF PLAY

18. Time Allowed

The maximum time allotted for the completion of 18 holes of the Championship is 4 hours 30 minutes for 4 players in a group [on Day 1 & Day 2] and 4 hours 15 minutes for 3 players in a group [on Final Day 3].

19. The following procedure only applies if a group is 'out of position'.

Definition of Out of Position

The first group to start will be considered 'out of position', if at any time during the round, the group's cumulative time exceeds the time allowed for the number of holes played.

Any following group will be considered 'out of position' if it is more than the starting time interval behind the group in front and has exceeded the time allowed for the number of holes played.

Procedure When Group is Out of Position

1. If a group is 'out of position', a decision will be taken as to whether the group will be timed. In reaching such a decision, the Chief Referee or Rules Official will take account of any recent mitigating circumstances, e.g. a lengthy ruling or lost ball, unplayable ball, wrong ball etc., and how far the group is out of position. If there are any such circumstances, the group is expected to regain its position within a reasonable time.

If the decision is taken to time the players, **each player** in the group will be subject to individual timing by the Chief Referee or Rules Official and will advise each player that they are 'out of position' and they are being timed.

2. The maximum time allocated per shot is **40 seconds**. 10 extra seconds are allowed for the first player to play:
 - a) On a par 3 hole;
 - b) An approach shot; and
 - c) A chip or putt.

Timing will start when a player has reached his ball, he has had a few seconds to select his club and he is able to play without interference. Time spent determining the yardage will count as time taken for the next stroke. On the putting green, he is allowed a few seconds to repair ball marks and clear loose impediments on his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as time taken for the next stroke.

If any player exceeds the time allocated, he shall be deemed to have had a "**Bad Time**".

3. Timing ceases when a group is either back in position in relation to the preceding group or within the allocated time for the holes played.

Penalty for breach of Condition:-

- (i) One bad time - Warning from Rules Official and told that if he has a further bad time he will be penalized.
- (ii) Two bad times - Penalty of one stroke.
- (iii) Three bad times - Further penalty of two strokes.
- (iv) Four bad times - Disqualification.

Note: The Committee reserves the right, at any time, to time a group when the Committee deems necessary. Players should also be aware that the Committee may access a "bad time" to a player in a group which is out of position if the player makes no effort to help his group to get back in position. An example of this is when the player delay play between shots.

Procedure When Again Out of Position During the Same Round

If a group is 'out of position' more than once during a round the above procedure will apply on each occasion. Bad times and the application of penalties in the same round will be carried forward until the round is completed.

IT IS SINCERELY HOPED IT WILL NOT BE NECESSARY TO IMPOSE ANY PENALTIES FOR SLOW PLAY.

UNAUTHORIZED TRANSPORTATION

20. **Players shall walk at all times and must not ride on any form of transportation during a stipulated round unless permitted and authorized to ride by the Committee.**
