RULES AND CONDITIONS

1. The Championship will be decided by stroke play over three rounds of 18 holes, each played in accordance with the Rules of Golf as approved by R&A Rules Limited and in accordance with the Local Rules approved by the Championship Committee. The lowest 80 gross scores over the first 36 holes and anyone tying for 80th place, will qualify for the final round.
2. In the event of a tie after three rounds, the winner will be decided by a hole by hole play-off by stroke play over holes determined by the Championship Committee. The play-off will start as soon as practicable after the last competitors have completed their rounds.
3. In addition to the trophy presented to the Champion, there will be regional trophies presented to the competitors achieving the best net score for the first two rounds in their region. Details of the countries within each region will be posted on the competitors' notice board.
4. It is a condition of the Championship that no competitor will be awarded more than one trophy. The Champion will be ineligible to accept a regional trophy. In such a case, the regional trophy will be awarded to the competitor returning the next best score.
5. In the event of a tie after two rounds for the regional trophies, the trophy will be decided on the lowest net score for the last 18 holes (or 9 or 6 or 3 or 1 hole). If a tie still arises, the preceding round will be treated in the same way until a decision is reached. In matching cards over the last 9 or 6 or 3 or 1 hole, handicaps will be reduced by one-half, one-third, one-sixth etc.
6. List of Conforming Balls - The specimen Condition in the Rules of Golf is in effect - see page 138. Note: An updated List of Conforming Balls is available on The R&A's website (www.RandA.org). This is also available at the tournament office.
7. Transportation - The specimen Condition in the Rules of Golf is in effect - see page 142.

Should a player show clinical evidence of use of a drug for non-therapeutic purpose, the Committee may require the player to undergo a drug test. Any player infringing this Condition may be disqualified. Players who are on medication and in doubt as to their clinical status should seek advice from The R&A via the tournament office.
10. Entrants must be nominated to compete by their national golf union, federation or association.
11. Entries must be made on the entry form to be obtained from the Junior Open office (address below).
