Limitations on Using Green-Reading Materials

Purpose of Interpretation: [Rule 4.3](#) limits the use of equipment and devices that might help a player in his or her play, based on the principle that golf is a challenging game in which success should depend on the judgement, skills and abilities of the player. This interpretation of [Rule 4.3](#) limits the size and scale of detailed putting green maps and any similar electronic or digital materials that a player may use during a round to help with reading his or her line of play on the putting green so that a player's ability to read a green remains an essential part of the skill of putting.

Putting Green Maps

The player is allowed to use a putting green map or other putting green information, except that:

- Any image of a putting green must be limited to a scale of 3/8 inch to 5 yards (1:480) or smaller (the "scale limit").
- Any book or other paper containing a map or image of a putting green must not be larger than 4 1/4 inches x 7 inches (the "size limit"), although a "hole location sheet" that displays 9 or more holes on a single sheet of paper may be larger, provided that any image of a single putting green meets the scale limit.
- No magnification of putting green information is allowed other than a player's normal wearing of prescription glasses or lenses.
- Hand drawn or written information about a putting green is only allowed if contained in a book or paper meeting the size limit and written by the player and/or his or her caddie.
