## **STARTING TIME - SHOTGUN START**

**Definition:** To start a tournament in which all groups of players tee off simultaneously from different holes. If there are 18 groups of four-balls in a tournament, then each hole on the course will serve as the starting hole for a different group. Group A would start from No. 1, Group B from No. 2, and so on, and each group would begin play at the same time. A shotgun start allows for a tournament to be completed in the time it normally takes one group to finish 18 holes. If there are more than 18 groups, some four-ball groups will tee-off as two groups each (on after the other) on par 5's and par 4's.

Players are using Buggies and should arrive at the starting time which is at 8.00 am or later as decided by the Committee. Players only tee off after the 'SIREN' has been sounded at the time fixed by the committee.

Penalty for Breach of this Rule: Disqualification.

**Note:** *If the player arrives at his starting point, ready to play, within five minutes after his starting time, in the absence of circumstances that warrant waiving the penalty of disqualification as provided in **Rule 33-7**, the penalty for failure to start on time is two strokes at the first hole in stroke play instead of disqualification.*

## **DISPUTES**

Any disputes or doubtful points should be referred to the Committee as soon as possible upon completion of the round and in any case not later than fifteen (15) minutes after the completion of the round. The decision of the Committee in any disputes shall be final.
